PROGRAM & SPEAKER

The need for representation before the NCDOR is growing as the Department steps up its collection efforts in order to meet the ever-increasing need for revenue. It is imperative for the tax professional to know what the client's options are in order to meet their needs. This program will explore those options, including installment agreements, offers in compromise, and will also address when the NCDOR will hold off on filing a lien or stop a levy action, and when it will pursue criminal charges.

W. Thomas "Tom" McCuiston, heads McCuiston Law Offices PLLC, with offices in Cary and Raleigh. McCuiston is a Board-Certified Estate Planning Specialist, a Certified Public Accountant, a National Tax Practice Institute (NTPI) Fellow, and lectures frequently on tax and tax representation. He is a former board member of the NC Society of Enrolled Agents and currently serves on the board of the NCACPA Foundation.
